NUMBERING:

Stoked-n-Board™

[Reliability = 10]

1 to 2,916. 1995..... 2004

On boards shaped by Tony Mardian the first digit(s) is the year and the rest is the number made to date:

5 2917 to 10 5389. 2005..... 2010

11 5390 and up..... 2011..... 2011

Other shapers would have used their own numbering systems.

PRODUCTION: Over last serial number.

We would like to express our thanks to Tony Mardian for his contributions to this profile.
